TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 7, 1996

SUBJECT: **SB 2465 - HB 3222**

This bill, if enacted, will terminate all current appointments to the State Board of Education as of March 31, 1997 and permit the governor to appoint all new members to the board as of April 1, 1997. Incumbent members may be eligible for reappointment. Selection criteria and terms for state board members remain the same as currently laid out in the statute, except for the additional requirement that at least six members of the newly appointed state board have served at some time as a member of an elected local board of education and that at all times thereafter the state board retain at least six members who meet this requirement.

The fiscal impact from enactment of this bill is estimated to be minimal.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
